

# CARAVAN eBIKE TOURS

Portland is famous for bicycling, and now you can explore like a local on a guided e-bicycle tour! Choose from one of several popular routes or make it a custom tour to suit your interests. Cruise along Portland streets, stopping to see interesting and iconic sights such as:

- Tiny homes and ADUs (Accessory Dwelling Units)
- Community Gardens
- Little free libraries
- Street art and wall murals
- Farmers markets

... and much more!

All tours begin and end at The eBike Store located at 809 N. Rosa Parks Way, Portland OR 97217.

Free pickup and drop off to the Caravan eBike Tours include a lunch stop at our world famous food carts (cost of lunch not included).

## How Electric Bicycles Work

An electric bicycle is just like a regular bicycle except that it has a motor designed to give you an assist climbing hills and covering more territory in a short period of time. Riders of all experience levels are able to ride successfully with a little instruction and a short practice session around the block.

### Cost

- 2-3 hour tours are **\$55** per person including ebike, helmet, and guide.
- Tour plus full day ebike rental - **\$85**
- Tour plus two full day ebike rental - **\$125**

### About the Guide

Sarah Bott is a former spokesperson for the City of Portland, including for three former mayors, Portland Parks & Recreation, and the Portland Water Bureau. She enjoys sharing insider knowledge about how this once quiet west coast town transformed itself into a major visitor destination and the most moved-to city in America.
